KASES Network Memo No. 8

TO: Staff, Division of Child Support Enforcement
All IV-D Agents

FROM: Maxine Stritchen, Director
Division of Child Support Enforcement

DATE: July 1, 1992

SUBJECT: Address Format for Overseas Military Mail

Postal regulations require that military overseas addresses be standardized to conform to the addressing practices for other U.S. mail.

Military address codes now have three new state designations to replace the previous designations of New York, Miami, San Francisco, and Seattle. For example, the military address for Europe under the previous mailing system was APO, New York, NY and ZIP Code. The current mailing address for Europe is APO, AE and ZIP Code. APO designates city and AE designates Army Europe and military ZIP Codes 090-098.

The Kentucky Automated Support and Enforcement System (KASES) address table containing valid state codes has been updated to include the new codes for the standardized address format for overseas military mail. The following designation codes have been added to the address table:

AA - Army Atlantic
AE - Army Europe
AP - Army Pacific

AA is used for mail designated for units in the Americas other than Canada; AE is used for mail going to Europe, the Middle East, Africa, and Canada; and AP is used for mail going to the Pacific.

When inputting an overseas military address into KASES, APO is entered in the city field, the appropriate designation code is entered in the state field, and the APO/FPO ZIP Code is entered in the ZIP Code field.

Attached is a copy of the new address formats for overseas military mail, which includes the APO/FPO ZIP Codes and a list of military post office locations.

DCSE STAFF AND CONTRACTING OFFICIALS WHO HAVE NOT IMPLEMENTED KASES ARE TO SAVE AND FILE THIS MEMO FOR FUTURE REFERENCE.
