SUBJECT: A Caseworker's Guide to Child Support Enforcement And
Military Personnel

Recently the Department of Health and Human Services has reissued the Caseworker's Guide to Child Support Enforcement and Military Personnel, formerly called the Guide to Child Support Enforcement Against Military Personnel. It proves to be an exceptional tool as it provides basic information and some best practice tips on how the child support process applies to military members. The publication is available for viewing on the Office of Child Support Enforcement's website at www.acf.dhhs.gov/programs/cse. The publication is located under the "Facts and Descriptions" section.

Please print this document and update the Appendix of the Manual of Procedures as shown below.
